

7G BÜMIN

RECORD
PRODUCER/COMPOSER

BALTIMORE, MD

7G Bümin affirms the start of his professional music career after his first major placement in 2018. He has worked with artists such as Jidenna, Mumu Fresh and Wayna in the past 5 years. Born Oladele Kiambu, 7G started taking interest in music production in 2010. He grew up having a diverse musical ingest, including his parents' tunes, the thriving local music scene, and sonance reflecting his African culture. He stamps a lot of his productions with ethnic rhythms & elements of the African Diaspora. His influencers include producers such as Metro Boomin, T-Minus, and Juls.
